

## Tournaments and Events

The Cincinnati Recreation Commission Golf Courses welcome golfers to play in our open competition, senior events, Cincinnati Recreation Women's Golf Association (CRWGA) events, and club championship series. Please contact the host golf course for specific information about a listed tournament or event. A separate Junior Event Schedule is also available.

## Instruction Programs

CRC's staff of golf professionals offers a wide variety of instruction programs designed to meet the individual needs of golfers, whether new to the game, returning to the game, or an advanced player. In addition to the instruction opportunities listed below, CRC Golf offers other beginner friendly programs that cater to the new golfer with emphasis on both basic skill practice and golf rules and etiquette.

- **Group Instruction** offers golfers – adult or junior – the opportunity to learn and/or improve their golf game in a group setting with similarly skilled golfers.
- **Individual Instruction** programs are catered to meet the specific needs of each golfer. To arrange for individual instruction, please contact the Head Golf Professional at your local CRC Golf Course.

## Mixed Couples League

A Mixed Couples League is available for any golfer, age 18 and older, every Thursday evening at Dunham Golf Course, beginning at 5:45pm. Mixed Couples League registration begins March 1. Official league play begins June 2, and runs through August 8. Formats and events to be determined. Please contact the golf professional at Dunham Golf Course for more details.
